Dear Prospective Member

Thank you for your continued support of Tri City Country Club! We are continuing to progress in the building of a new clubhouse. We are currently finalizing blueprints with our architect and working with the city of Villa Grove on a Reimbursement Package with TIF funding. In order to afford this beautiful new clubhouse, we are going to have to borrow money and raise our dues for 2025. The board has likened our rates to comparable nearby 9-hole clubs and our rates are still lower than theirs, even after this increase. We know no one likes to pay more for a service but the new clubhouse will be one we can all enjoy year-round and improve your dining experience. That is opposed to the costly and inefficient existing clubhouse, that requires us to make non-stop repairs.

The golf course was in great shape in 2024, and we will continue to maintain and improve the course conditions this year as well. We opened up the expanded Men's tee on hole #7 and it has certainly added a degree of difficulty from the back. We are also planning to make some changes to hole #2 this spring, to make the hole more playable. We ask that you please remember to repair ball marks and fix divots and to keep carts at least 50 feet away from the greens.

Please note all dues are to be paid by Tuesday, April 1, by mailing this form to the P.O. Box listed above. Please fill out the form completely, including email address(es), so we can send you our E-newsletter with events, fun interviews, stories, etc.

Also, if you have yet to do so, we ask that you consider making a donation toward the new clubhouse project and your donation can include a complimentary membership at the \$3,000 level and up. We certainly appreciate your assistance!

Please follow us on Facebook for Club updates including Steve's dinner specials. Encourage your friends to become members of Tri City by completing the application found on our website at: [www.tricitycc.com](http://www.tricitycc.com). Once again, thank you for your support, and let's enjoy an exciting 2025 season!

Sincerely,

The Board of Directors
