Dear Prospective Member,

Thank you for your continued interest in Tri-City Country Club. The past year marked an exciting milestone with the groundbreaking of our new clubhouse, and we look forward to welcoming members into a vibrant, beautifully finished space this May. Construction is progressing steadily — mechanical systems are nearly complete, and interior finishes are now underway. We remain on schedule for a grand opening in May.

Despite a challenging drought season, our grounds crew maintained excellent playing conditions throughout last year. Once the clubhouse project is completed, the Board will turn its focused attention toward continued course improvements guided by recommendations from our new golf course architect, Michael Bunkusky. Our commitment to delivering a high-quality playing experience remains a top priority.

Tri-City Country Club continues to stand out as one of the best values in the region — offering exceptional golf, a welcoming atmosphere, and competitive membership rates that are lower than comparable area clubs. Our goal is to provide an outstanding club experience for golfers and families of all ages and skill levels.

To secure your 2026 membership, please complete the enclosed form and return it with your dues payment by Wednesday, April 1. Including all household email addresses ensures everyone receives club news, event updates, and our newsletter.

As we are preparing to open our new clubhouse, we are also making important upgrades to kitchen and bar equipment. To complete this next phase, we are seeking to raise an additional \$100,000. Gifts of \$1,000 or more will be recognized on our donor plaque, and contributions of \$3,000 or more may include a complimentary 2026 membership. We sincerely appreciate your thoughtful consideration and support for this important investment in our club's future.

Stay connected by following us on Facebook for updates and dinner specials and encourage friends and neighbors to join our growing membership community. Applications are available at www.tricitycc.com, and new members receive a discounted rate for their first two years.

The future of Tri-City Country Club is bright, and 2026 promises to be a landmark year. We look forward to welcoming you.

Sincerely,
The Board of Directors
